

Production & Event Pins

Purpose

Production and Event pins were introduced in 2015 as a way of recognising the commitment of our members to the industry. It is a recognition of participation in production and events, open to all ETNZ financial members who have been involved in the designing, constructing, pulling together, crewing, or management of a production or event.

Applicants are eligible to apply for a 25, 50, 75, or 100+ production/event pin.

Criteria

- The applicant must be a current financial member of ETNZ (Bronze, Silver, Gold, & Platinum tiers).
- An application must demonstrate that the required number of productions and/or events have been achieved.
- Applications are based on a system of trust.

Definitions

- A professional production is defined as a season, event, or tour and is required to have a technical or dress rehearsal, and a performance.
- A complete tour is counted as one production, but multiple tours of the same production can be counted as a separate production.
- A major event is a nationally significant event or ceremony (i.e. World Cup, Tradeshow/Conference that has an international reach).
- Recreational, community theatre and concerts are included, if you received remuneration and they fulfil the criteria of having a technical or dress rehearsal and a performance.
- A virtual production or event can be counted as long as it has the following elements: set, lighting, sound, costumes.

Procedure for application

Members are eligible to apply for a 25, 50, 75, or 100+ production/event pin by emailing etnz.admin@gmail.com with details of which pin they are applying for, and a list of productions or events to be counted with dates.
